### About Us

The future for labour history may well include further moves away from its previously Anglocentric base, but there remains work to be done on this terrain. A landmark text here was the edited volume by Raphael Samuel, *Village Life and Labour*, where in an extended essay he wrote about working-class life in an Oxford suburb which was based on quarrying. Key people such as Sidney and Beatrice Webb and provided parameters for the discipline, and *Essays in Labour History*, edited by , supplied some important indicators for the development of the subject.

### The Political and Workplace Culture of the Scottish Working Class, 1880

Peter Alexander and Rick Halpern Oxford, 2000. Of particular interest are articles which engage with issues of gender and ethnicity or race, as well as class.

### Labour History Review

WELCOME Welcome to the website of the Scottish Labour History Society. The society is funded by membership subscriptions, donations and revenue generated from events.

### Labour History Review

Marcel Van Der Linden, in a magisterial survey, has argued that the origins of labour history can be dated back to the third quarter of the 19th century when the first labour and working-class movements were active internationally. Contributions can be submitted electronically or in hard copy.

### The Political and Workplace Culture of the Scottish Working Class, 1880

Meanwhile historians such as Peter Alexander, writing on miners, and Ralph Darlington, on syndicalism, have produced pioneering works. His landmark *Making of the English Working Class* led to Thompson becoming the first head of the at Warwick University. The Irish Labour History Society: An Outline History Emmet O'Connor Lord Asa Briggs describes the volume as '.
