## 7 Key Points: A Humanae Vitae Summary [+Explanation]

A stranger is no longer a stranger for the person who must become a neighbour to someone in need, to the point of accepting responsibility for his life, as the parable of the Good Samaritan shows so clearly cf. That is the Jewish religious task in the world at its deepest level. As the domestic church, the family is summoned to proclaim, celebrate and serve the Gospel of life.

## Evangelium Vitae (25 March 1995)

We would create that world of justice and peace.

## Choose Life: A Declaration of Opposition to the Death Penalty

Where did the idea for the film Conviction begin? It is in this context, so humanly rich and filled with love, that heroic actions too are born. We are called to express wonder and gratitude for the gift of life and to welcome, savour and share the Gospel of life not only in our personal and community prayer, but above all in the celebrations of the liturgical year.

## The Church Says 'No' to Nuclear Weapons: Pastoral and moral implications

Expressions of awe and wonder at God's intervention in the life of a child in its mother's womb occur again and again in the Psalms.

## 7 Key Points: A Humanae Vitae Summary [+Explanation]

You will do that for fear of laying the foundation and then not being able to complete the work; for all who saw it would jeer saying. New York: HarperPerennial, 1996. Rom 2:14-15, is reaffirmed by Sacred Scripture, transmitted by the Tradition of the Church and taught by the ordinary and universal Magisterium.

## **The Threat of Nuclear War**

Evangelization is an all-embracing, progressive activity through which the Church participates in the prophetic, priestly and royal mission of the Lord Jesus. Bio- medical research too, a field which promises great benefits for humanity, must always reject experimentation, research or applications which disregard the inviolable dignity of the human being, and thus cease to be at the service of people and become instead means which, under the guise of helping people, actually harm them. We must say the St.

## **The Power to Change**

At the first stage of life, centres for natural methods of regulating fertility should be promoted as a valuable help to responsible parenthood, in which all individuals, and in the first place the child, are recognized and respected in their own right, and where every decision is guided by the ideal of the sincere gift of self. There too, when they are still in their mothers' womb-as many passages of the Bible bear witness -they are the personal objects of God's loving and fatherly providence.

## **Armed Conflict**

American Jews have been overwhelmingly on the left, after all, for the last 100 years and more. Some will be moved by our courage; others will react in horror at our brash irresponsible behavior. Increase and multiply' Gen 1:28.
