BA (Hons) Contemporary Media Cultures

Adverse leaks or innuendos about a government official often lead to his or her loss of influence, resignation, or dismissal.

Women Making News: Gender and Journalism in Modern Britain

Journalists and politicians have become ensnared in a symbiotic web of lies that misleads the public.

The News of Empire: Telegraphy, Journalism and the Politics of Reporting in Colonial India

In this section, we go through each of these three dimensions of tools, organisation, and culture.

7 Ways the Printing Press Changed the World

A unique browser is not necessarily the same as a person using content. In this seminar-based course you will get to know the concepts and theories to understand and critically reflect on the relations between journalism, the political field and ideology. The aim here is not to provide an in-depth set of two or three case studies or an exhaustive inventory of every approach out there, but to provide an overview of some examples of best practice and some of the most important differences we have observed.
