## PIR Center

Chief Administrator Chief Administrator means the Chief Administrator of the Courts Administration Service. By the end of the reporting period additional income had been pledged to UNRWA which enabled the Agency to postpone the date of abandonment of its schools in Jordan and the Syrian Arab Republic to 1 October. These financial statements are included in Volume III of the Public Accounts.

## The CANDU Syndrome: Canada's Bid to Export Nuclear Reactors to Turkey (3)

Skills and expertise needed by Board members were identified; Board roles and responsibilities were defined; and appropriate and accurate information was provided to the Board for oversight and decision making. These bonds bear interest payable semi-annually at the rate fixed by the Minister. The fact that they have continued without fail to perform their tasks in the service of their fellow Palestine refugees is a mark of their loyalty.

## Canadian Nuclear Laboratories

With Captain Stairs to Katanga: Slavery and Subjugation in the Congo 1891—92, London: Jeppestown Press, p.

## Bruce Nuclear Generating Station

By the end of the reporting period, staff pay in some fields had suffered a serious decline in purchasing power by up to nearly one quarter in one field compared with January 1975, the base used by the Agency for the calculation of cost-of-living allowances. Muskie's first language was ; he spoke it as his only language until age 4.

## Document Availability

Communications In the delivery of its mandate, the Board maintained effective communications with external stakeholders, the responsible Minister, and the public. As a result, there could be an increased risk to the implementation of the strategic plans and to the achievement of the

goals of restructuring.

### **Exporting Disaster ~ The Cost of Selling CANDU Reactors (2)**

Since 2008, environmental assessments have been underway both at Bruce and at 's.
