## A Brief History of Japanese American Relocation During World War II (U.S. National Park Service)

The air units of the fleet and escort carriers added another 339 aircraft. However, they were employed at a logging operation at near in the , which was in the protected zone but without road access to the coast.

## Final Report, Japanese Evacuation from the West Coast, 1942 (book)

All registrants of Japanese ancestry were officially classified as 4-C after September 14, 1942. He won the nominations of all three parties.

## Internment of Japanese Canadians

By July 1942, after strikes occurred within the labour camps themselves, the federal government made a policy to keep families together in their removal to internment camps in the BC interior or sugar beet farms across the prairies. Many of the soldiers from the continental U. After agreeing informally to accept General DeWitt's initial California recommendation, justice officials balked at accepting the very large Category A areas he recommended for Washington and Oregon, since they included the entire cities of Seattle, Tacoma, and Portland.

## Internment of Japanese Americans

Tel Conv, Gen DeWitt with Col Bendetsen, 4 Feb 42, WDC-CAD 311.

## Japanese Internment

Some were too weak to move.
