Aulos

Orpheus was a legendary poet and musician, his lineage is unclear as some sources note him as the son of Apollo, the son of the Muse , or the son of mortal parents. Apollo was furious, but after hearing the sound of the lyre, his anger faded.

The Clarinet BBoard

Part of the MMORPG Life network. The lyre was a folk-instrument, associated with the cult of Apollo.

Read the following hyperbole from Orpheus and Eurydice: “Rivers stopped flowing along

. Additionally, ,produced specifically for LUTHIEROS musical instruments! The word music comes from the , the daughters of and patron goddesses of creative and intellectual endeavours.

Lyre of Hermes (7 or 9 strings)

There are synthetic reeds available which do not require the same amount of maintenance or replacement as standard cane reeds. Hermes was to have been born at dawn and by mid-day was playing a lyre, an instrument he designed and constructed that day.
