Understanding College and University Organization: Theories for Effective Policy and Practice: Bess, James L., Dee, Jay R., Johnstone, D. Bruce: 9781579227708: vip.stumagz.com: Books

The positivist paradigm—primarily an omnibus systems theory—integrates the chapters into a comprehensive, yet easily accessible whole. Now available in paperback, this two-volume work is intended to help readers develop powerful new ways of thinking about organizational principles, and apply them to policy-making and management in colleges and universities.
