The traditions pronounce that, from death to death one goes, who sees disunity here Mr̥tyoh sa mr̥tyumāpnotiya iha nāneva paśyati.

The Chronology of India: From Mahabharata to Medieval Era [2] 8194321352

Vijayamahādevi, the wife of Bharata, took a bath in the Gaṅga River at the time of conception and the son born subsequently was named Gaṅgādatta. It should be celebrated and read forward into the future in the light of the belated realization in science, that hidden worlds connect to the things that hide them, tide pools connect with unfathomable seas, which connect with our chromosomes Roger Rosenblatt, Time Magazine, May 2000. He personally verified this manuscript, which is a commentary on a Śaiva work, at Hyderabad at the session of the All-India Oriental Conference held there in 1941.

The Chronology of India: From Mahabharata to Medieval Era [2] 8194321352

As the Chinese chronology explained in the third volume, Huen Tsang sojourned in India around 30-15 BCE. That very same merit, however, can be easily achieved by one who fasts on the Varūthirī Ekādhaśī.

The Chronology of India: From Mahabharata to Medieval Era [2] 8194321352

I have suffered long enough in separation from My dear Sitā, and so I wish to hear from you about how My suffering can be ended.

lomasa rishi

Krishnavarman I became a powerful ruler in Dakṣiṇāpatha and one of the most influential rulers of the Kadam̐bas. The month is not Śrāvaṇa but Āśvina which needs verification from the original text of the inscription. But historians unreasonably date the Daśāvatāra temple Cave 15 and the

Kailash temple Cave 16 in the later phase citing epigraphic evidence.
