Russian Political Thought: A Concise History (Classic R... by Utechin, Sergej V.

Excerpt from Russian Political Thought Were feasible, it would hardly be worth while, for the residue of peculiarly Russian thoughts would probably be very small and would almost certainly be confined to minor points. For this mobilization, the NBP used a bizarre mixture of totalitarian and fascist symbols, geopolitical dogma, leftist ideas, and national-patriotic demagoguery. During the 1920s, a number of German intellectuals began a dialogue which created a synthesis between radical nationalism typically referencing and as it existed in the Soviet Union.

Russian Political Thought: A Concise History (Classic Reprint) : Utechin, Sergej V: vip.stumagz.com.au: Books

Brown, Weimar Radicals: Nazis and Communists Between Authenticity and Performance, Berghahn Books, 2009, p. That same year, the new leadership of the Israeli paramilitary organization declared its support for National Bolshevism, a break from the group's outlook under its previous leader.

Russian Political Thought: A Concise History (Classic R... by Utechin, Sergej V.

Most of this Russia would share with some other countries, and for a better understanding both of the development of Russian thought itself and of its place in the political thought of mankind it is useful to put it into the context of a wider body of thought.

RUSSIAN POLITICAL MASONRY AND THE FEBRUARY REVOLUTION OF 1917 on JSTOR

Limonov and Dugin sought to unite far-left and far-right radicals on the same platform.
