**Drawing Of A Teacher Teaching at  
[vip.stumagz.com](http://vip.stumagz.com)**

Willy has never worked in education. Here are all of the cartoons or illustrations related to foreign English teachers I could find, positive and negative. They will all run away from this career and our education system will suffer.

**Jill Biden encourages teachers in  
opening address as first lady**

Whether they teach reading or writing, biology or chemistry, trigonometry or calculus, you will pass with flying colors during this gift giving term. I created these cards out of a personal need for self kindness and positivity, especially during the challenging teaching moments. At the end of the day, these cards are just a reminder.

**Collection: Bernard Kassoy, Artist.  
York Teacher Cartoons, 1950**

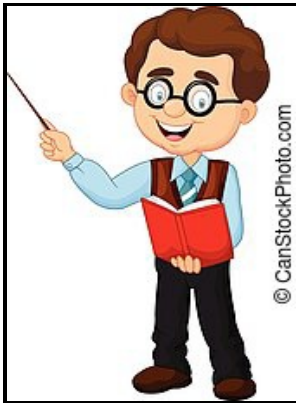

Willy has no sympathy for teachers.

**Political Cartoons**

Description: -

Willy has never worked in education.
