Mahalath, daughter of Ishmael: Midrash and Aggadah

He did not live to see the second Siyum HaShas. And a reporter for the New York Tog said that in his trip to Russia, in Birobidzhan, he met a Jew who was studying the daf of the day. It is interesting to note that the length of the Talmud daf yomi study is the approximate length of a shemita cycle Sabbatical cycle , which culminated with a public Torah reading.

Mahalath, daughter of Ishmael: Midrash and Aggadah

The second Siyum HaShas was celebrated internationally. A 1938 press release reported that a special hour for the Hagigat ha-Torah would be reserved on the radio station of the city of New York on 28 Sivan, June 27.

The Rabbis identify Mahalath with Basemath based on the exchange of names between Gen.

Masekhet Yevamot : min Talmud Bavli : 'im kol ha

And, as with the annual Torah reading cycle, when the Talmud is completed every seven and a half years, the learning begins anew.
