### DCAA > Customers > Guidance > CAM

The sets out the policies and procedures that govern the conduct of internal auditing at the United Nations.

### DCAA > Customers > Guidance > CAM

Can't find what you are looking for? It describes the underlying principles, standards and code of ethics for the professional practice of internal auditing, and describes the Division's audit management process from planning and preparation to the performance of the audit, reporting of results and follow-up of recommendations. The contractor's business location where the accounting records are maintained should be used for determining the appropriate DCAA office. An additional facility to search all technical releases issued since 1972 is also available.

### DCAA > Customers > Guidance > CAM

The latest version of regulations and guidance for those working in the regulated area of audit in the UK, Ireland and the Crown Dependencies and text of changes made. The most current version of CAM is provided, by chapter, in electronic format below. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Standard Manual Of Quality Auditing A Step By Step Workbook With Procedures And Checklists.

### Audit manuals

The purpose of this manual is to present suggested procedures which conform to standard audit practices. Contact us by email at or through webchat.
