America's Economy in the 1990s

The government also actively encouraged the establishment of collectively owned and operated industrial and service enterprises as a means of soaking up some of the unemployment among young people and at the same time helping to increase supplies of light industrial products.

A brief history of China's economic growth

Unlike earlier periods, when China was committed to trying to achieve self-sufficiency, under Deng Xiaoping foreign trade was regarded as an important source of investment funds and modern technology.

reading

The more successful of them came to be key financiers of monarchs keen on expanding their authority. However, heavy industry, transportation, foreign trade, and banking remained under state control.

Russia

Anti-trust enforcement became more active during the Clinton Administration. Glaeser, Triumph of the City, 2012.

America's Economy in the 1990s

Pauperism is not socialism, still less communism. Mineral resources included huge reserves of iron ore and there were adequate to abundant supplies of nearly all other industrial minerals. The federal government also enacted other policies which were less significant for the economy, yet still had an impact.

reading

The successful series Walker, Texas Ranger 1993-2001 , which stars Chuck Norris, became notable as one of the last Westerns to be produced for television. A sweeping history of global trade from 1000 CE to the present.

Retrospective on American Economic Policy in the 1990s

At the inception of the , the communes were intended to acquire all ownership rights over the productive assets of their subordinate units and to take over most of the planning and decision making for farm activities.

Amistad Digital Resource: Social and Economic Issues of the 1980s and 1990s

The flow of capital to emerging markets had multiplied sixfold in just over six years—a remarkable increase, driven by the search for ever higher returns. China may have already overtaken Germany even earlier as China's including the and is larger than Germany's. .
