Piero della Francesca

Yet until now we have known very little about Piero the man, and his biography has remained something of an enigma.

Piero della Francesca: A Formal Introduction

BOOK EXCERPT: Elkins argues that writing is what art historians produce, and, whether such writing is a transparent vehicle for the transmission of facts or an embattled forum for the rehearsal of institutional relations and constructions of history, it is an expressive medium, with the capacity for emotion and reflection.

They really did have their blueprints. That relationship is only approximate, but the bottom point on this arc also serves quite precisely as the point of convergence for the perspectival system defined by the converging lines of the entablatures, as the blue raking lines along the entablatures indicate. Informed with the intellectual rigour of Scholastic exegesis, it deserves to be placed with the classic readings of He offers seven thought-provoking pieces, three of which are new and written specifically for this book.

Piero della Francesca

Piero was an idealist, although an idealist in a rather different way than Botticelli.

A fascinating evaluation of the development of cognitive processes and the formal properties of art, this work should appeal to professionals and graduate students in developmental, cognitive, aesthetic, personality, and clinical psychology; to psychoanalysts interested in developmental theory; and to anyone interested in cultural history -- especially the history of art and the history of science. Clark, Kenneth 1951 Piero della Francesca, London, Phaidon Press.

Piero della Francesca

Curiously, Grant Wood probably never actually saw an actual painting by Piero; he must have known his work through reproductions. The first describes the pilgrimage to Sansepolcro, whether by rail or the seven-hour bus ride that takes one through the Apennines and then descends.

Piero della Francesca

It coincides with the top edge of the entablature on either side of the main niche.
