Tim Loher , Ph.D.

This recommendation was approved by the President, and on the 21st of February last, the Secretary of Commerce issued an order to the collectors of customs, of which the following is a copy: To promote the vigorous prosecution of the war and to make the utmost use jointly of all the resources of the nations now cooperating, you will permit, during the war, Canadian fishing vessels and those of other nations now acting with the United States to enter from and clear for the high seas and the fisheries, disposing of their catch and taking on supplies, stores, etc.

A peculiarity of all the Pacific salmon is that they die after spawning, so that they never reproduce more than once. Methods of Take: When angling, no more than one line with two hooks attached may be used.

Papers Relating to the Foreign Relations of the United States, 1918

It also provides DFO with additional opportunity to work with our co-management partners to ensure that the management of groundfish aligns with Land Claims such as the Nunavut Agreement and the Nunavik Inuit Land Claims Agreement. This IFMP excludes the Cumberland Sound Turbot Management Area, for which a separate IFMP is being developed.

Archives West: Fisheries reports, 1930

Criteria for Decisions by NWMB and Minister Article 5 of the NA sets out a detailed process under which the Minister may accept, reject or vary decisions of the NWMB Sections 5. Grout gaffs the catch and slings it into a plastic tote where it is bonked senseless with a wooden club. There is an overall fishing pattern based on season and gear type.
