## Bori

Between 1912 and 1914 serious inter-ethnic conflict took place between Greeks and Albanians, and significant portion of the old village was destroyed, however some fine buildings remain.

## Bori

The tourism has begun to develop a lot thanks to village's beauty and thanks to its friendly people.

## Borsh

The 18th century was a turbulent economic time and due to Orthodox revolts and conflicts with Orthodox powers such as the , Ottoman governors at times applied pressures including drastic tax raises on the local Christian population as well as other pressures caused towns to convert. Borshi was probably fortified from antiquity and it belonged to Kemara modern then part of the Chaonian tribal state, one of the main Ancient Greek tribes in Epirus. Fifty years later it was captured by Albanians led by , but was retaken by the Turks only eleven years later and heavily refortified.

## Borsh

The thing that makes Borsh very popular is its beach, which is the largest beach in Ionian sea 7 km. Schmitt, Frankfurt am Main: Pro Oriente — Peter Lang, pp. Borsh then went through a period of considerable turmoil, changing hands several times between the Despotate of Epirus and Norman crusades invaders before being taken by the Turks in 1431.

## Bor

Athens: Institute for Neohellenic Research. .

## Bor

The castle remained in use in Roman times and was refortified by the Emperor Justinian in the sixth century.

### **Bori**

The next year the Ottoman army recaptured it and took Mormori as a prisoner.
