A History of Indian Logic (Ancient, Mediæval and Modern Schools)

Theodoric, while himself pursuing a savage career of violence, caused wise men, versed in ancient customs, to frame separate codes of laws for his Ripuarian, Alemannic, and Bavarian subjects, substituting Christian for pagan principles where these prevailed. The Roman Empire in the East 42 VI. This article has been edited in places for accuracy, with thanks to R.

Mediaeval and modern history : Myers, Philip Van Ness, 1846

After thirty years of high office at court, he retired at the age of seventy to a monastery which he established at Squillace; and during his thirty remaining years—for his life was prolonged to nearly a century—he gave an impulse to monastic learning which lasted through the Middle Ages. Abbots and bishops entered upon the chase with as great zest as the lay nobles.
