The Welfare State in Europe

These critiques from left and right of welfare states as they had emerged since 1945 attracted different political responses. There are also new directions emerging for welfare states.

Reforming European Welfare States: Germany and the United Kingdom Compared

Although such ideas obviously capture parts of the reality of welfare states in Europe, they merely tell part of the story and, hence, show an incomplete truth. In the years following World War II, a massive expansion of the welfare state has taken place throughout Europe.

Labour reforms

As documented in more detail elsewhere Van Kersbergen and Hemerijck 2012; see extensively Hemerijck 2013 , all welfare state models have undergone significant changes in the main areas relevant to social policies. They would go on to introduce welfare reforms, but they did not campaign on a platform of doing so: in fact, they avoided the issue.

The politics of welfare state reform in continental Europe : modernization in hard times (eBook, 2010) [vip.stumagz.com]

The UK for example had had very low levels of public spending and taxation in the nineteenth century, less than 10 per cent of national income before 1914. Levell Peter, Barra Roantree, and Jonathan Shaw. This pressure constantly threatens to shrink the tax base because of the willingness of political parties to compete in seeking to lower taxes on both individuals and companies.

The politics of welfare state reform in continental Europe : modernization in hard times (eBook, 2010) [vip.stumagz.com]

In terms of Britain's social fabric, this is arguably the most important document of the 20th century.

The Welfare State in Europe: Visions for Reform. Vision Europe Summit. Bertelsmann Studies

One of the drivers for these anti-welfare coalitions is a recognition of the extent to which societies have become consumerist, so that many citizens

are prepared to consider contracting for welfare like any other service, and paying lower taxes as a result. Van der Wel, Kjetil A.

Reforming the European Welfare State

The Hayekians by contrast want all state monopolies to be broken up.
