**Agnostic: A Spirited Manifesto by Lesley Hazleton, Paperback**

Can an agnostic be a Christian? Does an agnostic deny that man has a soul? How do agnostics explain the beauty and harmony of nature? Also Read: Slide 6 of 15 One of the most important theologians of the twentieth century illuminates the relationship between ourselves and the teachings of Jesus.

### **What is Agnosticism? A Short Explanation**

See that blank bit of paper? What is the definition of? He would either be a lunatic—on the level with the man who says he is a poached egg—or else he would be the Devil of Hell.
