Technology brings challenges and opportunities for information

Social media allows for interacting with employees both before, during and after the actual training session. Get started to see how these can come together in your digital media projects.

Digital distribution

Without CRM, you cannot treat your customers as individuals.

Delivering digitally : managing the transition to the knowledge media / Alistair Inglis, Peter Ling, Vera Joosten

Long story short: it hasn't, really. For employers, the key questions are how to get business benefits out of these platforms and how to ensure that employee use of social media while at work is neither distracting nor potentially harmful to the organization.

Organizational Change and Transition Management

Global Kids, an afterschool program in New York City, integrated game design into their Online Leadership Program for teens.
