## Tefilat hodayah le

Ua li Hmoob cov niam txiv tab seeb, muaj tsis taus me nyuam, puas nyiam mus nrhiav lwm haiv neeg li me nyuam coj los tu? It is indeed worthy for every person to act stringently and abstain from eating and performing work until seventy-two minutes past sunset have elapsed in accordance with the opinion of Rabbeinu Tam as well as the majority of the Rishonim. Just as each successive wave fails to learn from the failure of its predecessor to go beyond the boundary set for the sea by Heaven, so does each of Jewry's enemies fail to learn from the failures of their predecessors in trying to destroy a people whose eternity is Divinely guaranteed, and who need only bow their heads in submission until Heaven rescues them. Pheej txawj txawj mus saib tes, Mus saib yaig; Coj los hais luag hnrov.
