## Ramesses II at Luxor: Mental Gymnastics on JSTOR

It is generally accepted that the term Shasu means nomads or Bedouin people, referring primarily to the nomadic or semi-nomadic peoples of Syria-Palestine. Now let us draw some conclusions regarding the Land of the Shasu of Yahweh.

## Edel Elmar

There are a few references in Egyptian texts to Shasu nomads living in the area of Nubia south of Egypt, but the vast majority of references are to Shasu living north of Egypt, and it is these Shasu who are the focus of this paper. The same list of Shasu groups has also been found in a temple in Amara West also in Sudan, built by King Seti I and completed by his son King Ramesses II, the Great. VI- Puits associés et chambres funéraires On a trouvé quatre puits avec des chambres funéraires dans la zone du monument.
