always reviewing prior knowledge and then constructing deeper understanding based on new concepts and skills, learning is relevant, organized, and comprehensible. An alternative is to have them reflect on their performance on this paper based on the criteria outlined on the rubric.

A Step

The language arts — listening, speaking, reading, and writing — should be integrated with each other and across the curriculum.

The Writing Teacher's Companion

Practice first Before assigning an essay that requires analysis, teachers should do an analysis activity in class where they ask students to analyze a general topic where opinions are likely to vary.

Strategies for Teachers: Preparation and Planning

Reflecting on Your Lesson Plan A lesson plan may not work as well as you had expected due to a number of extraneous circumstances.
