## Director Guillermo del Toro Shares the Monsters in His Closet With the Public

I try to give a visual sumptuousness to sometimes very looked-down-upon subjects. Importantly, it came with a key so he could lock away his collection of books and toys, writing implements and drawing books in its drawers. In the last zone, the visitor enters an immersive projection space that offers an in-depth look at the life and work of the Flemish Master.

## The Advent of the Artist

Our room rentals are ideal for events such as.

## Wells Art Contemporary exhibition is virtual for 2020

They became spiritual relics; they have the same value as a relic for me. He paints A Small Thing Enlarged. We want visitors to experience what it would be like to live in an amazing house surrounded by beautiful objects and to appreciate the generosity of Susan and Jim Wakefield.

## Beyond Bruegel

Organised thematically, these different display areas are devoted to artistic movements between the 1900 Exposition Universelle in Paris and the end of the 1920s.

## Richard Hamilton: Room 12

Despite the fact that CREATE. How did you come up with that idea? Curated by Rigoberto Luna each artist responded in their chosen aesthetic and medium to complement the different areas of the gallery and invite guests to step into their world, creating a uniquely immersive experience.

## Meeting Rooms

There are three interesting facts about Guy Martin. She subtly discusses relationships and distance through the interaction of the frames. Q: Did the house originally have wood shingles on the roof? Still before the official establishment of the Museum of Decorative Art in 1885, Lanna, who was a

seasoned art connoisseur, had arranged the purchase of many exhibits for the evolving museum collections.
