2 Dollars

They agree to a suicide pact. This already tragic love story is made all the more tragic by the untimely real-life deaths of its two leads, Hong Kong cinema legends Anita Mui and Leslie Cheung. Yes, there were still cracks showing up in unregulated areas that require mending, for example recently in equity margin financing, but nothing of a systemic nature or of any threat to the stability of our currency.

2 Dollars

Only three institutional investors and no individual investors reported a belief that the news regarding proposed tax legislation was a trigger for the crash. Thus when property values collapsed, the health of lending institutions was damaged. This is against the background of sharp gyrations in the exchange rates of major currencies.

1988 Hong Kong electoral reform

More to the point, the cross-market analysis of, for example, found that markets with a greater prevalence of computerized trading including portfolio insurance actually experienced relatively less severe losses in percentage terms than those without. The total value of our external trade in goods and services in a year is equivalent to well over 250% of our gross domestic product GDP.

Yuen Kun Yeu and Others v The Attorney General for and on behalf of the Commissioner of Deposit

Indeed, to some, the Hong Kong dollar increasingly sticks out like a sore thumb, but to others it is being seen increasingly as a pillar of stability in financial markets in the Asian region and an example of financial prudence.

Saturday, December 12, 1914, is sometimes erroneously cited as the largest one-day percentage decline of the DJIA. That makes the control of the exchange rate much easier. The outflow caused the clearing balance of the banking system to shrink sharply, in accordance with the discipline

of the currency board system, as the banks sold Hong Kong dollars to the HKMA for US dollars.

Rouge (film)

. Banks were also worried about increasing their involvement and exposure to a chaotic market.

Yuen Kun Yeu and Others v The Attorney General for and on behalf of the Commissioner of Deposit

In other words, any change in the monetary base has to be matched by a corresponding change in the amount of US dollar reserves held by the HKMA, and the change brought about by the HKMA rather passively converting Hong Kong dollars in the monetary base into US dollar reserves and vice versa at much the initiative of the banks. By contrast, the pain of economic adjustment that some of the Asian economies have to go through is much greater, is now only beginning to be felt and likely to last for some time. All these years later, Rouge is a difficult film to review in large part due to both its overwhelmingly positive critical pedigree and the presence of two Hong Kong cinema superstars in top form made all the more surreal due to their untimely deaths.

Rouge (1987)

Recent events demonstrate that the system is working exactly as intended.
