Teenagers and Divorce: A Survival Guide for Separated Parents

Teens want to shock their parents and it's a lot better to let them do something temporary and harmless; save your objections for things that really matter, like , and , or permanent changes to their appearance. Think back on your own teen years. They're forming their moral code.

Teenagers and Divorce: A Survival Guide for Separated Parents

Share memories of your own adolescence.

A Teen Survival Guide

This guide is very practical and includes interactive quizzes, real life questions and answers, resources related to the different topics at the end of the sections, and a glossary for many of the medical terms. Pick Your Battles If teenagers want to dye their hair, paint their fingernails black, or wear funky clothes, think twice before you object. But it's important to make a somewhat artificial distinction between and adolescence.

A Teen Survival Guide

It can be learning to make mum a cup of tea, putting pasta in a bowl or drawing a picture for someone so they feel connected to the people they are missing. In other words, there's a wide range of what's considered normal.

‘Don’t make a drama’: a survival guide for parents during family isolation

As kids progress through the teen years, you'll notice a slowing of the highs and lows of adolescence. You've lived through 2 a. Consider having your child create the first draft of these rules.
