### About AIBA

I received my athletes passbook and hoping to enroll in PAL Oxnard tournament this September 28th. Your gym may also provide a physical form to take to your physician.

### Are You Ready For Amateur Boxing?

Hit the heavy bag for 15 minutes straight bro? How do u handle situations like that? I would love to fight but the thought of developing arthritis in my hands is a worrying one.

### Boxing BC Association

Competition may only occur within designated cohorts. Thanks mate! Thank you for the reply. How do I pick the right trainer and gym that will help me reach my goal.

### Boxing Alberta

It also helps to put things in perspective.

### How to Get My Amateur Boxing License

If there is a pro boxing fight in Phuket I am willing to fight.

### Boxing Canada

Also when you say hit the heavy bag for 15 minutes straight, do you mean all out or paced? Lastly, trick combos are like magic tricks; they require work to set up and everything must be perfect for the trick to work. I meant that it was unrealistic to rely purely on slipping as defense because there are so many punches thrown in competition. I have sparred plenty but I do not feel ready yet my trainers think otherwise.
