Sometimes, the last few pages can completely turn the meaning, plot, or theme of the book around, like in *Fight Club* or *Atonement*. It shows you how to understand literary analysis by explaining its elements one at a time, then showing them at work in short stories which are reproduced as part of the book. People read *Wuthering Heights* and actually cry when the heroine Cathy dies half way through the story.

Some novelists are able to evoke the spirit of a place so vividly that literary tourists are attracted from all over the world to visit the locations.

How to Read a Novel: 14 Steps (with Pictures)

Once you know how a character has changed throughout a chapter you can start to figure out why they've changed. The majority of *Wuthering Heights* is told from Nelly's perspective.
