The Weeden Island Culture: A

## Preliminary Definition on JSTOR

Apparently it had been going across on the waves and every time it hit a wave it made a little foot- print. When he first set foot in Virginia, Captain John Smith was only twenty-seven years old; but even then he had made himself somewhat famous in England as a daring traveller in Southern Europe, in Turkey and the East.

## Doing archaeology on small and heavily vegetated islands in Georgia

This chapter discusses the analysis of late Mississippian settlements on Ossabaw Island, Georgia. His power for pictorial representation was great. Huston Map of Bangor in 1798.

## Archaeological Studies Marsh Island Cultural Colonel's Georgia Steinen 1987

Petitions for tax exemptions, for example, an interesting aspect of colonial disaster history, were more common after drought than after flood, and, in general, drought apparently had a greater impact than flood.

## Full text of and citizens' album of biographical record [of Wisconsin] containing personal sketches of army men and citizens prominent in loyalty to the

We suspect that this problem applies to all research that attempts to depict the Chumash past, including ar- chaeology, since that dominates local research and is the main voint of articulation between researchers and Chumash. Chicago: University of Chicago Press. The last fighting was done on the 7th near Farmville before arrangements were entered upon and, on the 9th at daybreak, an attack was made on Gordon's command on the Lynch- burg Road ; Crook was attacked a little later, both of which actions resulted in the retiring of the rebels.

Poverty Point

Instead of a lead mine, I found myself on the site of an old Indian town.
