## Combating Stress

The American Association of Colleges of Nursing describes three initiatives to advance the involvement of RNs in health policy.

## Combating Stress

Retrieved from Agency for Healthcare Research and Quality.

## AACN Fact Sheet

The fee is payable even if the hospital recruited the nurse through its own recruitment processes such as a newspaper advertisement. To accommodate evolving and expanding roles, RNs must develop expertise to use data and health information technology HIT to further evidence-based practice; nursing education models must be adapted to prepare nurses for these new roles; and numerous policy and regulatory changes will be necessary. Retrieved from: Agency for Healthcare Research and Quality AHRQ.

## 3 Transforming Practice

Joint Commission Journal on Quality Improvement. A capstone simulation for senior nursing students. Much of this work is already underway.
