## Step

The cloth is very light in weight or it may also be medium weight. BTW I can convert the numerals to Arabic numbers do the math and convert answer back to roman however I find nothing in the literature indicating they did this or had even gotten to Arabic numbers until after their empire fell. This is by far the most challenging step if done by machine as you need to make sure you are far enough away from the wall to accommodate the slat sticking out behind you and in front of you, as you stitch.
