### Matchbox Collectibles: Diecast Direct, Inc.

A dump truck and a cement mixer completed the original three-model release that marked the starting point for the mass-market success of the Matchbox series. Although the main scales tended to hover around 1:43 1:50 or 1:100 for truck models , eventually there were even 1:24 automobiles.

### The Matchbox Collection by Gonzalo Aguirre Bisi — Kickstarter

Lesney originally released 75 vehicles in its initial line shown below , with many variations released in subsequent years. He currently writes for Cinelinx.

### Matchbox (brand)

This article needs additional citations for. Some of the first Skybusters released were , , and airplanes.

### Matchbox Collectibles: Diecast Direct, Inc.

It immediately became evident that special, low-volume models of this nature were highly desirable from both the sponsor and the collectors' perspective, as well as being profitable for Matchbox.
