I have never seen such a waste of resource going on here. June: With the number of parties represented in Parliament increased to seven in preparation for the first MMP election, the National government led by Bolger loses its narrow parliamentary majority. Our conventional account of the labour market has more relevance to an historical reality than the current one.

February

This process is not difficult. Dr Jensen nominated five main mechanisms to improve teaching standards: improving the quality of applicants to become teachers; improving the quality of their initial education and training; evaluating and providing feedback to teachers once they're in classrooms; recognising and rewarding effective teachers; and moving on ineffective teachers who are unable to improve.
