FACULTY DIRECTORY

Oh, sweetly the returning muses' strain
Swell'd over that famed stream, whose
gentle tide In their bright lap the Etrurian
vales detain, Sweet, as when winter storms
have ceased to chide, And all the new

Within the poetry that considers nature in all its forms is the running theme that it is a place where order and harmony exists.

William Cullen Bryant Quotes (Author of Thanatopsis)

The sick, untended then, Languish'd in the damp shade, and died afar from men. It is the one improper theme of its author.

William Cullen Bryant Family Tree (39528)

He also kept up his literary activities, writing poetry and essays. A more balanced assessment is Harry H.
