The True Meaning of Wisdom

By learning as much as you can, analyzing your experiences and putting your knowledge to the test, you can become a wiser person. You should also seek out new experiences, like trying a new sport or hobby, to give yourself chances to learn and grow. Can you have one without the other? Wisdom is a plenteous crop with a meager harvest.

Wisdom International

We can survey all of the pool of biblical insights about wisdom and siphon the precious nectar of truth about how to get wisdom: 3. Ultimately, your values should be aligned with your conscience, that gut feeling that tells you what to do based on what you know to be true. This article received 23 testimonials and 89% of readers who voted found it helpful, earning it our reader-approved status.

Wise Up To The Difference Between vs.

Reading up on both sides of important matters gives you the information you need to form valid opinions and make reasoned decisions. Each time you have a new experience, reflect on it and think about what went well and what didn't.
