## Sligachan Old Bridge

They are big and aggressive, quite fearless.

## Skye and North West Highlands Sea Kayaking

We know that after a busy day of sightseeing an exceptional place to stay makes all the difference. Plus, choose to take an optional Loch Ness cruise and Culloden Battlefield tour.

## Guided Scotland Tours from Edinburgh, Glasgow and Inverness

The Black Cuillin are true mountains, mainly composed of gabbro, and twelve of the peaks are listed as a Scottish mountain over 3,000 ft. It has become a popular tourist stop because of its pretty bay and sandy beach, as well as caravan park and camping park.

## Hiking The West Highlands & Isle of Skye

The castle was built by the Duchess of Sutherland.

## Sligachan Old Bridge

In five wonderful days, you will explore this beautiful country, discover its culture and history and meet its welcoming people. Rattled off a few enquiries and then settled in to enjoy the cafe latte and homemade scone in front of me; it was too early even for Chris for wine at 11.

## Highland Explorer

Inverness Inverness is often considered the unofficial capital of the Highlands, serving as the administrative center for the Highland council area and being the largest city in the Highlands with a population of about 50,000. From Gallangad Lodge head west towards Balloch and take the A82 north on the West side of Loch Lomond towards Fort William taking in the spectacular scenery of Rannoch Moor and Glencoe on route.
