We used to know that whoever builds a mosque even if it's like a bird's nest Allah builds a house for them in paradise yet we haven't contributed to the building of a Masjid, even with 10 dinars We used to know that the one who supports the widow and her children is like the fighter in the path of Allah and the one who fasts all day and prays all night without sleeping. You depend on your knowledge. He fought with himself for me.
