## Italian Paintings, XIV

Fine examples of early Modern painting include distinct canvases by artists such as Pablo Picasso and Fernand Léger. You're likely to see the American, or Anglicized, spelling of Hapsburg in the New York Times, for example. Major figures in the evolution Modern and Contemporary art, with a particular emphasis on the progress of abstraction, are represented across the 20th century and into the 21st.

They remained married for his lifetime.

### European and American Art Before 1900

McCarty also discusses the proliferation of masks for physical protection, in areas such as military combat, sports competitions, and space exploration. More By 1662, Barbara, the King's mistress, had more influence at the court than his queen consort, Catherine of Braganza. The accompanying text is highly accessible, providing interesting insights into the artists' lives and explaining--in general terms--the stylistic evolution of the history of European painting.

### Italian Paintings, XIV

In 2015, the MFAH redesigned the Native American gallery. Earlier generations of scholars believed that a much smaller area, the Yellow River Valley, was the principal source and locus of Chinese civilization. The collection encompasses representations of the Texas landscape, spiritual and symbolic works, and examples of Modernism and Post-Modernism.
