## Daily Grammar

Even in the corporate world, being able to communicate effectively gives the business an edge over its less articulate competitors.

## Daily Grammar

But, when talking to a professional, always take the grammatical aspect of your conversation seriously. Road signs exist to make roads safer and organize moving traffic.

## 8 Reasons Grammar is Important

Questionable Commas Often deemed unimportant, the comma is actually an extremely powerful grammar tool. Meet National Standards is a national standard of education implemented across the country. If the mistakes you make are true mistakes because you never grasped basic grammar concepts, then this means you lack the education.

## 18 Most Common Grammar Mistakes

There were less cans on the shelves than there were yesterday.
