## 2,000 Irish medics speak out against euthanasia and assisted suicide

But should we not consider the possibility that God intends us both to live—and to die—with the heart he originally fashioned for us, rather than for another? While we are to respect the lives of all people, we are called upon to have a special regard for the lives of our parents. The currency was denominated in both pounds, shillings and pence, and dollars.

## Real care, love and compassion

Should she be reappointed, she will no doubt play on the vote as support for her ministry of death and this without any formal or proper debate. So-called palliative sedation has also become a widespread practice in hospitals, with 15,000 cases a year since 2005, according to the Royal Dutch Medical Association. There are a number of alternative approaches and options for people with terminal conditions or those experiencing intolerable suffering.
