### How to Persuade an Atheist to Become Christian (with Pictures)

Like Americans, Europeans in many countries are more likely to say they do not believe in God than they are to identify as atheists, including two-thirds of Czechs and at least half of Swedish 60%, Belgian 54% and Dutch adults 53% who say they do not believe in God.

### Why Should I Study Religion?

The lesson from this volume is we have very little concrete evidence for anyone existing in the distant past. But science always finds system, order and regularity as the governing principles in the whole universe, and her discoveries are only discoveries of rules and regulations prescribed to govern matter.

### Answers for Atheists and Agnostics

Once he realized, however, that we truly meant him no harm, he started talking -- and for three hours we listened.

### How an Atheist Found God. The Scientific Facts the Led to Faith.

Don't try to trick someone into attending by pretending that it is not. The purpose is so that CARM can compile more accurate information on what atheists are thinking about their atheism, about religion, about evidence, and more. X Research source Understand the difference between belief and truth.

### An Atheist Neuroscientist Finds Faith in Bipolar Mania

I do not have bipolar but I have childhood trauma which I have sought for relief in my 40s because I wanted to become a therapist. The research is based on the hypothesis that the human brain has two opposing domains in constant tension. Any concern she would take to God, trusting him to work it out or care for her in some way.

### Listening to Young Atheists: Lessons for a Stronger Christianity

If you are atheist, you are most likely to have been raised in a religious home. There wouldn't be a million sects of each religion and there wouldn't be a million different religions.

### **How to Persuade an Atheist to Become Christian (with Pictures)**

Should exceptions be made just in our case? If you want to talk about religion with an atheist, it's important to choose your words and actions with care and compassion. This writing was originally done, or dictated, or inspired, by a god.

### **Listening to Young Atheists: Lessons for a Stronger Christianity**

Such precision may seem—to the religious person and agnostic alike—no more useful than counting the number of angels on the head of a pin. There are people who don't seem to need that. The religion and bipolar connection is becoming extreme conscious of the mechanism in us to believe - to have faith even at our own existence! And I have listened for hours to the often unsettling arguments of Peter Singer and a whole host of others like him.
