**This knowledge alone will save you from going crazy because of the situation created in connection to the COVID**

Osiagniesz konkretną wiedzę, gdy jej część powierzysz zaufaniu.

**He Leadeth Me by Walter J. Ciszek**

Not all works in all formats are available in each language.

**A Critique of Joe Dispenza**

Se cree o no se cree, y ahí se acaba la cosa. The weekend reaches its climax in the celebration of the Eucharist on Sunday afternoon. The programme begins at teatime on Thursday evening.

**Georges de Nantes, défenseur de la chrétienté**

Ciszek openly apologizes for the simplicity of his message. It was the first time someone told us about the importance of a conscious control of our thoughts.

**Wierszyki Urodzinowe**

Este hombre consiguió aceptar sus padecimientos, que siempre interpretó como la voluntad de Dios para su vida.

**He Leadeth Me by Walter J. Ciszek**

Que voilà de grandes choses, à préparer bien petitement et modestement, au Nom du Seigneur Jésus et de sa Sainte Mère, sans autre appui que surnaturel, et sans jamais rire de la petitesse des moyens humains, quand on espère en la puissance des secours divins promis. Les gens se sont-ils sentis concernés, leur participation a-t-elle été effective? And if you're the person on the receiving end and you're worried about falling when things get sweaty, Engle says to lean on a table or a chair for support. The team is there for participants throughout the weekend, and if anyone would value a chance to talk or pray with the clergy, they will make time available for them.

## **Jécistes, nous sommes en mouvement !**

Yes each one can raise his state of consciousness and share this with others. We intend to create a dedicated Meditation and Healing Centre in Leicester UK to run our groups and workshops from.

### **Cursillo Weekends**

Ciszek makes his experience applicable to everyone and gives really helpful insight into how the most monotonous and boring job, how the tediousness that life can be from day-to-day, can be viewed as God's will for you in that moment and how you can choose to glorify God in the way you perform the most mundane tasks. Our situation is 100 times worse than of the slaves from the ancient times of slavery, e. My answer has always been --and can only be -- that I survived on the basis of the faith others may find too simple and naive.
