## Národní demokratická strana

Exceptions were books and journal articles which talked about the underground revolutionary press because at that time this area was just being studied.

## STRANA

This section also contains information about journals and other periodicals and continuing publications according to type such as journals, sborniki, biulleteni, and bloknoty agitatora for the years 1940, 1946, 1960 and 1966. As mentioned, this bibliography is not comprehensive because it was difficult to collect during revolutionary years.
