The First voyage round the world, by Magellan : Pigafetta, Antonio, ca. 1480/91

Having seen the cinnamon tree, I can give some description of it. A fork - Une forcette - Pirarne.

ELCANO and MAGELLAN, The First Voyage around the World

When the repast was over, our people returned, and related all to the captain; and the King of Mazzabua, who was on board the captain's ship, and who was the first king after him of Zzubu, and the lord of several isles, wished to go on shore to relate to the king the politeness and courtesy of our captain.

They brought with them four of those little beasts of which they make their clothing, and they led them with a cord in the manner of dogs coupled together.

The First Voyage Round the World/Pigafetta's Account of Magellan's Voyage

Magellan's experiences as a sailor had taught him much about sailing and he had also become an expert navigator. Now in order to decypher the commencement of my voyage very illustrious lord ; having heard that there was in the city of Seville, a small armade to the number of five ships, ready to perform this long voyage, that is to say, to find the islands of Maluco, from whence the spices come: of which armade the captain-general was Fernand de Magaglianes, a Portuguese gentleman, commander of St.

Journal of Magellan's Voyage

The First Voyage around the World is also a remarkably accurate ethnographic and geographical account of the circumnavigation, and one that has earned its reputation among modern historiographers and students of the early contacts between Europe and the East Indies. They were a strategically important starting point for the lucrative spice trade.
