Sallie Mae has been found to charge APRs of as high as 28 percent. Did you know that once you consolidate your loans, it is against the law to re-consolidate them with another lender for a lower rate? This has occurred in large part due to federal legislation passed since the mid-1990s that removed standard consumer protections from student loans-and allowed for massive penalties and draconian wealth-extraction mechanisms to collect this inflated debt. Not mentioned in the book.

The student loan scam : the most oppressive debt in U.S. history, and how we can fight back : Collinge, Alan, 1970

The book exposes them for what they really are- cutthroat loan sharks who are out to ruin many people's lives due to their greed, forcing them to

live a life of indentured servitude.
