## **Ghostbusters (1984)**

Competition for special effects studios among various movies in development at the time meant that part of the budget was used to co-found a new studio under. Broken pieces of pavement and the road were positioned outside the real location to create a seamless transition between the two shots. Again, the project delayed as the studio searched for a new director.

## **Ghostbusters: Afterlife's UK release reportedly pushed to August**

The Ectomobile, was in the first draft of Aykroyd's script, and he and John Daveikis developed some early concepts for the car. Director Jason Reitman has stated the film will ignore the events of 2016's directed by. In this sense, it is Peck, not Gozer, who represents the film's true villain.

## **Ghostbusters**

A Slimer-inspired limited-edition citrus-flavored drink first released in 1987, was one of the more popular items, and did not cease production until 2001. By 2004, movement on a sequel was revisited by the studio, though Bill Murray again expressed his disinterest in the project, stating that he dislikes sequels.

## **Ghostbusters (2016)**

In March, Murray discussed development of the film, and his intentions to reprise his role.
