## Lionheart

There is no reason to feel badly. Souls descended on these apes - hovering above and about them rather than inhabiting them - and influenced them to move toward a different goal from the simple one they had been pursuing. Once or twice between lives we visit this group of higher beings who are a step or two above our teacher-guides.

## Edgar Cayce on Human Origins

All of that introspectiveness does fade, but I still tap into it because I don't want to lose touch with who I am.

## 8 Traits of a Spiritual Warrior to Help you Combat Avidya

Do you have a specific goal, purpose, or intention in mind? When the spiritual warrior possesses these attributes you become a powerful force for change in the world. What untethers us from our truly infinite and spiritual nature? There are numerous ways to integrate and embody your spirituality, but remember that this is an organic process that takes time. For man may separate himself from God - the Spirit - but the spirit does not separate from man.

## Spiritual Beings on a Human Journey—Remembering Our Stardust

King Richard I the Lionheart. The second path is that of the purification of the human or natural love. The real person is not the physical being.

## Edgar Cayce on Human Origins

That rift became a slight alienation and frustration to others he knew and loved. Once a soul has decided to incarnate again, the next stage in the return process is to be directed to the place of life selection. In one period of our lives we may cultivate our connection with Spirit, while in other parts we may descend to the Soul to heal core wounds, or the middle world to develop.
