The Woman's Hands

These tools, toys and supplies are in constant use by our students, timber framing crews, and family. He was very professional, honest, and cleaned up when he was done. Doing so can help families save on heating and cooling costs while staying safe and healthy.

The Woman's Hands

It's Great To Be HomeA self-proclaimed serial home improver and house-lover, Liz of uses her platform to document the transformation of her own home and her many house-flipping skills. These usually have adjustable interest rates. I would recommend him without hesitation.

The Woman's Hands

We have referred to it several times; replaced bathroom faucet, replaced lightswitch, etc.

We are happy to share our experiences with these tools which may enhance your own. Though they recognized the space needed some serious work, they both fell in love with the character and charm of a fixer-upper farmhouse.

The Woman's Hands

Mine has moved with me several times and is falling apart and brittle so I was hoping for an updated version in a larger format. Reach out to the federal, state, or county government agency that administers the program
