## ANCIENT HOUSES

Many stocked pools with brightly colored fish while the gardens were abloom with cornflowers and daisies. Outside on the street there was little traffic. The main villages were Amarna and Deir El Medina.

### Ancient House, Ipswich

The find marks the first time researchers have uncovered the remains of a home in Nazareth from that time period, the Israeli Antiquities Authority said in a statement. Renovation began in 1984, and no part of the building was untouched. A ramp was used to get into the house from the outside.

## ANCIENT HOUSES

We have been here before, and our guest Hung was SO EXCITED when I fished thru my phone to show him our selfie we took 3 years ago, so happy and proud we came back. In addition, and both and rot had set in, and was rife.

### Ancient House, Ipswich

In towns where pyramids were being constructed, homes were provided for the pyramid workers.

### Ancient House (Hoi An)

Welcome to our family home as we invite you to walk through time to ancient Vietnam. There was a raised platform at one end, where they sat and slept on cushions and mats. Sometimes these roofs had reed canopies to create shade.

### Ancient Egypt Houses

The discovery was made in the modern city of Nazareth during an excavation in advance of construction of the International Marian Center of Nazareth, which will illustrate the life of Mary. The toilet consisted of some kind of limestone sitting apparatus or stool that had a bowl underneath. Click on the different category headings to find out more.
