The sample extract includes data regarding Medicaid participation at the time of the interview; SNAP participation in the two calendar years preceding each interview; and participation in AFDC, SSI, and housing assistance in the prior calendar year. While few econometric studies directly address the impact of immigrants on the earnings of domestic workers prior to 1924, those that do focus narrowly on the question of whether or not immigrants were discriminated against in the labor market. It is very difficult to predict in the aggregate how businesses will adjust to more or to fewer workers since the

Filesize: 10.31 MB

decisions are made by millions of employers and supervisors.

### Immigrants in the American Labor Market: Quality, Assimilation, and Distributional Effects on JSTOR

Partially correct because, in each case, governments are the final arbiters of migration policy. If affirmative action were effective, minority representation should have expanded more among firms required to report to the Equal Employment Opportunity Commission EEOC. Low wages, uncertain economic prospects, and high interest rates can discourage productivity-increasing investment despite high profits.

### Do immigrants “steal” jobs from American workers?

While a simple model of immigration policy by no means adequately explains the variety and complexity of national policies, it does offer helpful insights into the politics of immigration control.

### **Immigrants in the American Labor Market: Quality, Assimilation, and Distributional Effects on JSTOR**

At a much reduced pace, these improvements for Black women continued, and in 1997, one-fourth of Black women had weekly wages classifying them as poor, compared with six-tenths of them classified as poor in the early 1960s.

### **The Effects of Immigration on the United States' Economy — Penn Wharton Budget Model**

Paralleling their rapid relative wage advances, Black female workers steadily narrowed their education disparity with White male workers. Yahoo ist Teil von Verizon Media.

### **Illegal Immigration and the Colonization of the American Labor Market**

The employer associations hired bilingual managers in the early 1970s to establish professional and legal lemon harvesting crews.

### **The Labor Market Integration of Refugee Migrants in High**

American workers often switch employers if they dislike a supervisor or get laid-off and turn to unemployment insurance. One assistance program covered by the proposed rule, state General Assistance, is not available in the extract.
